

Web 2.0: Podcasting, Blogs, Wikis, and other Social Software- An Overview

The following Wiki will be used as the agenda and source location for the SREB presentation on July 13.

<https://the25thhour.wikispaces.com/>

The session's purpose is to give participants a chance to see one aspect of Information Communication Technology Literacy and how it fits into the classroom and how it promotes 21st century instruction/learning.
